Policy coverage:

If you entered into a policy after 7am (AEDST) Tuesday 19 September, 2017:

Our policies do not cover claims for losses caused by something that you were aware of at the time of purchasing your policy. If you entered into a policy after **7am (AEDST) Tuesday 19 September** we would expect that this was done with an awareness of Mt Agung activity. For these policies, we will not, to the extent permitted by law, pay any claim caused by or arising from or in any way connected with this

Policy coverage and benefits vary based on individual circumstances and therefore we would like to take the opportunity to remind and encourage travellers who purchase travel insurance to always read their travel insurance Product Disclosure Statement, so that you know which risks you are covered for.

We will assess all claims in accordance with your Product Disclosure Statement (PDS) and your Certificate of Insurance.
